

WHAT WE ARE

In 1955 a small group of artists founded the 'Showcase of the Arts' with the purpose of promoting visual arts in the North County. The group was incorporated as an all volunteer, non-profit organization under California law in 1959. The name was changed to the 'Escondido Art Association' in 1986. The 'Artists Gallery' was opened in 1998 providing the members with a permanent location to promote their art in monthly art competitions and exhibitions.

Our name does not imply a geographical limitation. Our activities are open to members as well as non-members. Our mission is still to promote the visual arts in the North County through education, exhibitions and by providing the opportunity for professional and personal development.
